

Exemplar Poetry – “Singing-Time”

Fyleman, Rose. “Singing-Time.” *Read-Aloud Rhymes for the Very Young*. Selected by Jack Prelutsky. Illustrated by Marc Brown. New York: Knopf, 1986. (1919)

I wake in the morning early
And always, the very first thing,
I poke out my head and I sit up in bed
And I sing and I sing and I sing.
